The Hayes Conference Centre, Swanwick, Derbyshire

## Celebrating Diversity: Mission Together in the Global Village

We are made in the image of God, with all our incredible diversity. Rather than fragmentation, this gives us the opportunity to celebrate and interact with each other to create a rich and immense collective body of Christ.

Speakers include Methodist theologians

- Prof Anthony Reddie,
- Rev'd Prof Frances Young
- Rev'd Dr Inderjit Bhogal

Join us to hear how we do mission together across continents and cultures. Meet those involved here in the UK as well as around the world, including mission partners and 'global mission fellows', and learn about exciting new initiatives and outreach.
