## Mission Partners Prayer Concerns

### Michael and Joanna Tetley and family – Benin – PH Day 3

#### Please pray for:

- The many changes of the church and hospital to result in greater efficiency and cooperation, with Christian ways of sharing and living the Gospel of Jesus. That the Light of Christ will shine through the Church and all its associated organisations.
- A healthy spirit, body and mind for our whole family.
- Adequate preparation for our daughters to re-enter the system of school and general life of the UK when it is time to return.
- Continuing travelling mercies for each day.

#### Give praise for:

- Ongoing good health and living experience in Benin and West Africa in general and ongoing good health for all our relatives and friends.
- Good support from our supervisor at WCO Methodist Church UK.
- Ongoing revelation of God's Grace and Mercy - ever since we have been on the Mission field. Our testimonies are many!!!!

### Stephen and Jane Day – South Africa – PH Day 6

#### Please pray for:

- Stephen and Jane entering a time of transition as they prepare to return for a circuit appointment in Britain beginning next September.
- a good ending in Germiston and a good reintroduction to life in the UK.

### Keith and Ida Waddell – Zambia – PH Day 7

#### Please pray for:

- Young people in Zambia and the misuse of alcohol - sometimes mixed with smoking dagga which is a lethal cocktail.
- Ida finding great difficulty in having her concept paper to roll out Cervical Cancer Screening and Treatment in UCZ Hospitals and clinics accepted.
- A Scottish Registered Charity which is needed to support the application.
- If anyone has any links to a possible Charity please let us know. Much of the ground-work has been done to bring this service closer to women in need, as only 7% of rural women are presently able to access the next stage of treatment after screening.

### Sharon and John Harbottle-Haiti – PH Day 13

#### Please pray for:

- Our health - we are much improved.
- A peaceful Christmas and New Year to come into much political unrest in Haiti due to dissatisfaction with the Government.
- The work and ministry of a new Music School opened to train choir leaders of Eglise Methodiste d'Haiti and offer instrumental lessons too.
- The initiative in agricultural training for farmers through short courses at Vialet, that confidence and entrepreneurial skills will be enhanced.
- The effectiveness of courses in Christian Education, especially for training class leaders, the empowerment of women and ministry among children, in witness to Christ and strengthening the church, with gratitude for continued grants for this work.
- Funds to be secured for the health programme and the appointment of an assistant coordinator (NMA) to extend in circuits, clinics and the community.

### Angleena Keizer – Israel/Palestine – PH Day 15

Angleena, recovering from a sudden emergency operation with

gratitude for all the care she experienced and shares with us: *'I thank God for the new Cardiac Care Unit at the Bethlehem Arab Society for Rehabilitation Hospital, which is linked to the Imperial London Hospital. I thank God for the quality of care and expertise given. I experienced something unique to the many different hospitals I've visited over the years. There was so much warmth, care and lots of laughter over and above their professionalism. The heart of the matter was the matter of the heart: mine had calcified and was blocked. Words can't fully express the overall experience it turned out to be because of the heart attitude of those I encountered in this hospital. They embraced me, took me into their care and most of all their hearts. It reminds me of Proverbs 17:22. A cheerful heart is good medicine but a crushed spirit dries up the bones. I walked into the hospital not able to breath, I walked out with an unblocked heart and full of laughter!*

### Barry and Gillian Sloan – Germany – PH Day 26

#### Please pray for:

- the recent far-right violence and racist marches happening in Chemnitz since the start of September.
- The city of Chemnitz at this time, for all foreigners living in the city - including refugees and students.
