## Mission Partners Prayer Concerns and Requests

### Michael and Joanna Tetley and family – Benin – PH Day 3

Please praise God with us for:

- a successful completion of our time in Benin and for all He has allowed us to achieve whilst there;
- all who have helped to make our stay in Benin fruitful;
- our new posting to Togo and the continued opportunity to serve God and the people of Togo specifically and West Africa in general;
- our daughters' flourishing in Africa especially socially and at school;
- relatively good health whilst serving in Benin since September 2014.

Pray with us as we ask God to:

- continue to bless the leadership and the congregation of EPMB as they work tirelessly to bring relief to the people in Benin;
- smooth our transition as we relocate from Benin to Togo – especially our accommodation - allowing the renovation works on the house to be finished on time and within budget;
- smooth the transition as we hand over our roles to the new team in Benin;
- bless our new roles in Togo - may it be fruitful and bring the Glory of God to the Methodist Church Togo (EMT), the country Togo and the West African region;
- continue to bless our daughters as they continue to flourish in all aspects of their development.

### PH Day 5

Please pray for the difficult situation in **Cameroon**, where two pastors of the Presbyterian Church were killed and life

has been very challenging as political cessationists are now turning against their own communities due to hardship.

### PH Day 6

Please pray for the countries of **Mozambique, Malawi and Zimbabwe** especially those affected by Cyclone Idai, and for all those affected and displaced by changes in climate. We think especially of the churches as they their use funds to give aid, part of those funds given by Methodist people in Britain and Ireland via All We Can and Methodist grants. May the good Lord continue to uphold them and provide the necessary resources they require.

### Freddy & Dee Takavarasha – South Africa – PH Day 6 -

Please pray for their new ministry in South Africa

### Jenny Featherstone - Zambia - PH Day 8

### Claire Smithson - Kenya - PH Day 8

Please pray for:

- Maua Methodist Hospital, as a new C.E.O. takes over, without a medical background but has been in charge of medical facilities. He is a Meru Methodist and so understands a lot of the problems. Transition is always difficult - please pray for wisdom;
- Claire, continuing to develop the work with people living with HIV, positive moves towards developing youth-friendly services, with specific emphasis on a service for teenagers living with HIV and other chronic illnesses. Pray for a social worker with a heart for the teens;
